

Office of Victim Services

Encourage To Arrest Grant – Top Six Goals

- ☀ 1. Reach a minimum of two groups per month to educate in the areas of model mandatory or pro-arrest policies, domestic violence reduction, offender accountability and the principles of full faith and credit.
- ☀ 2. Assist tribal agencies in developing, approving and implementing full faith and credit statutes into tribal codes.
- ☀ 3. Integrate a unified electronic application program to interface with various criminal justice systems, in order to improve the ability to track orders of protection.
- ☀ 4. Convene semiannually the cross-jurisdictional advisory team that has been created over the past two years.
- ☀ 5. Work with the National Association of State Courts to expand use of the "recognizable" order of protection coversheet to surrounding states.
- ☀ 6. Through participation in a wide variety of working groups and associations, staff will provide leadership in coordinating existing efforts of law enforcement agencies, victim service groups, tribes, prosecutors, state agencies and the courts in their efforts to improve statewide services to domestic violence victims.
